

TravPay is an innovative, pay-as-you-go billing plan that combines an employer's payroll processing with its workers compensation insurance payments. This solution makes it easier than ever to eliminate the guesswork that comes with traditional workers compensation premium plans.

As a successful business, you are always searching for the final piece of the puzzle to help streamline your payments process, save you money and help improve cash flow.

What do you get?

A simple, effective workers compensation payment solution that delivers results, with:

- No down payment
- Real-time workers compensation premium calculations based on reported payrolls
- Opportunity to improve cash flow for your business
- Automatic premium deductions
- Minimized audit adjustments

Best of all, it's easy to enroll. So get started today!
